

## EL Education's Vision, Mission, and Approach

### **Our Vision**

When students and teachers are engaged in work that is challenging, adventurous and meaningful, learning and achievement flourish.

### **Our Mission**

To create classrooms where teachers can fulfill their highest aspirations, and students achieve more than they think possible, becoming active contributors to building a better world.

### **Our Approach**

Our approach is grounded in respect for teachers and school leaders as creative agents in their classrooms. We build their capacity to ignite each student's motivation, persistence and compassion to propel growth and success in school, college, career and life.

Our definition of student success combines academic achievement, character and high quality work. We believe that academic success is built on strong character qualities of collaboration, perseverance, responsibility and compassion, and that character is shaped through engaging and challenging academic work.
